

The law firm of **Bogin, Munns & Munns, P.A.** is pleased to announce their second annual shoe drive this Holiday season in partnership with the Orange County Public School System to benefit the children of our community in need.

Through a television campaign beginning on November 30th airing on WESH TV, WOFL and Brighthouse Cable they will urge people in the community to bring new or slightly worn children's shoes to any of their nine offices located in Orlando, Deltona, Kissimmee, South Daytona, Clermont, Leesburg, Ocala, Melbourne & Gainesville. (please see attached for addresses). The information for the shoe drive will also be posted on their website www.boginmunns.com.

Last year the firm collected over 500 pairs of shoes and took great pleasure in personally delivering them to families in need. This year Bogin, Munns & Munns has become one of the district partners with the Orange County Public Schools. As **Partners in Education** with the schools they will be participating in several events in the next year to benefit the children in Orange County. This year's Holiday Shoe drive is the kick off event with the school system who will also be participating in the collections.

For more information call Bogin, Munns & Munns (407) 578-9696 or visit their website at www.boginmunns.com.
